## **HALF FLOOR SKY HOME - FRONT ROW PREMIUM BEACHFRONT**

Step up to a next-level premium beachfront apartment where the mundane becomes majestic and a simple sunrise becomes a spiritual experience.

But it's not all about spiritual sunrises or the blue ocean panorama that captures you from the moment you step inside, because that would be doing an injustice to the comprehensive inventory of enviable features that make this half floor sky home a very special place to live.

It's elegant, yet relaxed, luxurious coastal styling creates a warm and inviting ambience while the intelligent use of space combined with a practical floor plan allow effortless living which is further enhanced by carefully considered alterations and upgrades now completed and ready to be enjoyed.
